Postponement cinec

Due to the corona pandemic, the cinec - International Trade Fair for Cine Equipment and Technology will not take place from September 19-21, 2020.

Currently unknown and incalculable conditions for trade fairs after August 31, 2020 as well as the global travel restrictions pose too high an event risk.

We greatly regret the decision, but it was essential to avert unexpected costs and health risks from exhibitors and visitors.

As soon as a "real" trade fair with international participation can take place again, we will offer the next cinec date as soon as possible. Plans for this are already underway.

We wish you all the best of luck for the challenges of this time and look forward to seeing you again at the next cinec.

Kind regards,
Angelika Albrecht
